Dear Sir:

In response to the Office Action dated October 2, 2002 please amend the above-identified application as follows.

**In the Claims**

✓  
Cancel claim 9. ✓

**REMARKS**

Reconsideration of this application as amended is requested. By this amendment Applicant has canceled claim 9. Claims 1-8 and 10-13 remain in the case.

The Examiner objected to the drawing under 37 CFR 1.83(a) as not showing every feature of the invention specified in the claims. In particular the "text display adjacent the status ribbon containing additional detail" recited in claim 9 is not shown. Although described in the specification and readily understandable to one of ordinary skill in the art, Applicant has canceled claim 9, rendering this objection moot.
